Dear Sir,

I am a collector of coins & medals, and a member of the Am. Numis. & Archae. Socy. Having learned that a catalogue of the coins & medals in the cabinet of the National Mint has been lately prepared, & should be glad to get one. There are some presidential medals for sale at the Mint, which I would purchase. Will you please let me know if I can secure a copy of the catalogue, & at what price.

Very truly yours,
Herbert Valentine
